### **DEUTZ - the engine company.**

DEUTZ has always stood for excellence in motor construction, pioneering many developments in the industry. As an independent motor manufacturer, we offer - worldwide - a comprehensive range of diesel and gas motors spanning from 15 kW to 520 kW. Our products are perfectly tailored to meet our customers' individual requirements.

Over 1.4 million DEUTZ motors do their job reliably all over the world. We are determined to preserve the high standard of performance and dependability of our motors, thus keeping our customers satisfied at all times. Therefore we are represented worldwide through a network of highly competent service partners who will meet the needs of our customers, wherever they are.

This is why DEUTZ is not only the name for motors which pack a lot of inventive genius. DEUTZ also means reliable service and comprehensive support to enhance your motor's performance.

This index offers you an overview of the DEUTZ partners in your vicinity, including the products for which they are responsible and the range of services provided. But even when no direct product responsibility is mentioned, your DEUTZ partner will be happy to help you with expert advice.

The Distribution and Service Index is constantly updated. Please ask your DEUTZ service partner for the latest edition.

### **DEUTZ - the engine company.**

Seit jeher steht DEUTZ für bahnbrechende Entwicklungen im Motorenbau. Als unabhängiger Motorenhersteller bieten wir weltweit eine komplette Palette von Diesel- und Gasmotoren im Leistungsbereich von 15 bis 520 kW an. Unsere Produkte sind auf die Anforderungen unserer Kunden perfekt zugeschnitten.

Weltweit verrichten mehr als 1,4 Millionen DEUTZ Motoren zuverlässig ihren Dienst. Die Einsatzbereitschaft unserer Motoren und damit die Zufriedenheit unserer Kunden wollen wir erhalten. Daher sind wir weltweit mit einem Netz von kompetenten Partnern vertreten, dessen Dichte der regionalen Verteilung unserer Motoren entspricht.

So ist DEUTZ nicht nur der Name für Motoren mit Erfindungsgeist. Sondern auch für ein komplettes Leistungspaket rund um den Motor und einen Service, auf den Sie sich verlassen können. Dieses Register bietet Ihnen einen Überblick über die DEUTZ Partner in Ihrer Nähe, über deren Produkt-Zuständigkeiten und Service-Leistungen. Aber auch wenn keine direkte Produkt-Zuständigkeit vermerkt ist, hilft Ihnen der DEUTZ Partner mit kompetenter Beratung weiter.

Das Register Vertrieb & Service wird permanent aktualisiert; fragen Sie Ihren DEUTZ Partner nach der neuesten Auflage.

## **DEUTZ - the engine company.**

DEUTZ est depuis toujours synonyme d'innovation dans le domaine de la construction de moteurs. C'est un fabricant indépendant qui offre une gamme complète de moteurs diesel et à gaz d'une puissance de 15 à 520 kW sur l'ensemble de la planète. Nous fournissons des produits parfaitement adaptés aux exigences de nos clients.

Aujourd'hui, plus de 1,4 million de moteurs DEUTZ tournent dans le monde entier. Notre double objectif est d'assurer la fiabilité de nos moteurs et de garantir la satisfaction de nos clients. C'est pourquoi nous sommes représentés aux quatre coins de la planète par un réseau de partenaires compétents qui correspond à la répartition régionale de nos moteurs.

DEUTZ, ce n'est donc pas seulement une marque innovatrice de moteurs. C'est aussi une gamme complète de services autour du moteur, c'est aussi un nom sur lequel vous pouvez toujours compter.

Ce répertoire vous donne un aperçu des partenaires DEUTZ les plus proches, de leurs compétences techniques et des services qu'ils vous offrent. Et même s'il n'est pas directement spécialisé dans le produit qui vous intéresse, votre partenaire DEUTZ pourra vous conseiller avec compétence.

Le répertoire « Vente et service après-vente » est constamment actualisé. N'hésitez pas à demander la dernière version en date à votre partenaire DEUTZ.

## **DEUTZ - the engine company.**

DEUTZ siempre ha estado a la vanguardia de la industria de fabricación de motores. Como marca independiente, ofrecemos, a escala mundial, una gama muy completa de motores diesel y de gas, con potencias comprendidas entre 15 kW y 520 kW. Nuestros productos están estudiados para satisfacer plenamente las exigencias de nuestros clientes.

Más de 1.400.000 motores DEUTZ funcionan con toda fiabilidad en distintas partes del mundo. Estamos resueltos a mantener las elevadas prestaciones de nuestros motores y, por consiguiente, la confianza y satisfacción de nuestros clientes. Por ello, contamos con una red mundial de centros de asistencia, cuya densidad corresponde a la distribución de motores en las distintas regiones.

Así pues, DEUTZ no es tan sólo el nombre de un motor fruto del genio creador. DEUTZ también significa un paquete de servicios de apoyo para garantizar un funcionamiento óptimo del motor y una asistencia técnica en la que puede Ud. confiar.

Este índice le ofrece una panorámica de los centros DEUTZ en su zona geográfica, detallando, en particular, los productos de los que se ocupa cada centro y la gama de servicios disponibles. Pero incluso cuando no se mencione un producto determinado, puede Ud. estar seguro que su centro de asistencia DEUTZ tendrá mucho gusto en asesorarle y ayudarle en todo lo que pueda. El Índice de distribución y servicio se actualiza periódicamente. No dude en solicitar la última edición a su centro de asistencia DEUTZ.
