I/We hereby authorize Ms. Svenja Adele Deißler, Bad Neuenahr-Ahrweiler, and Mr. Ralf Trosiner, Bonn (proxies nominated by the Company), each individually, to represent me/us at the virtual Annual General Meeting of DEUTZ AG on April 28, 2022 without disclosing my/our name(s) and to exercise my/our voting right in accordance with my/our instructions below. This authorization includes the right to delegate this authority.

Issuing instructions to the nominated proxies

If you wish to authorize the proxies nominated by DEUTZ AG to exercise your voting right, please use the table below to issue your specific instructions to them.

Please issue an instruction for the Company's proxies in respect of each agenda item listed below. In each case, your vote based on the instructions provided refers to the management's proposed motion published in the German Federal Gazette in relation to agenda items 2 to 8. No instruction is required in relation to agenda item 1 because no vote is scheduled to be held in connection with this item. If there are individual votes on motions that have been combined under one agenda item, your instruction for this agenda item will be applied to the vote on each individual motion. Where the indication of the voting intention or the instructions are missing, incorrect, or ambiguous, the proxy nominated by the Company will either abstain or not participate in the relevant vote on grounds of unclear instructions in the authorization, depending on the voting procedure for the item in question. Where multiple indications are made in one row, the vote will be treated as invalid.

The proxies nominated by the Company are instructed to vote on the Board of Management's / Supervisory Board's motions as published in the German Federal Gazette on March 22, 2022, in accordance with the instructions below:

Use of other forms

The forms printed on your confirmation of registration can also be used for the proxy authorization. The confirmation of registration is sent to you upon completion of your formal registration. Use of those forms guarantees correct allocation.

Notes concerning this form

Please complete this form fully and legibly. Please enter the information required in relation to the person granting the authorization as stated on the confirmation of registration, which was sent to you upon completion of your formal registration.

The use of this particular form is not mandatory. You may also provide your own declaration of authorization in text form (as defined in section 126b of the German Civil Code). The aforementioned provisions regarding the allocation of the authorization to your registration apply accordingly.

The proxies nominated by the Company are authorized exclusively to exercise your voting right on your behalf as instructed. Any instructions that go beyond this scope will not be executed by the proxies. If you wish to exercise your other shareholder rights, you must exercise them yourself or authorize a third party to exercise them. Please note that the proxies nominated by the Company will not accept any authorizations and instructions to exercise other shareholder rights, such as proposing motions or raising objections to resolutions of the virtual Annual General Meeting.

Motions or nominations for election from shareholders (countermotions) that the Company is required to publish can be viewed online at: <https://www.deutz.com/en/investor-relations/annual-general-meeting/2022>

You can vote in favor of a countermotion that merely seeks to oppose a motion by voting against the motion proposed by the management. The authorization/instructions issued to the proxies nominated by the Company do not extend to votes on other motions, countermotions proposing new content, or motions concerning procedural aspects beyond the option to issue instructions noted above.

The foregoing information on the submission of notifications and the deadlines to be complied with also apply to a revocation of the authority granted to the proxies nominated by the Company, and for amendments to instructions.
