

GENUINE DEUTZ PARTS

Repair and Maintenance Kits

DEUTZ SERVICE. We care. We support. We deliver.

Certainty when you need it.

DEUTZ diesel engines are designed to be easy to repair. And to ensure they keep on working for years to come, we offer DEUTZ Repair Kits. These contain all of the main components and can be individually configured as required to suit the engine type.

We care. We support. We deliver.

DEUTZ SERVICE.

SPARE PARTS

First choice – technically and economically.

MAINTENANCE

Optimum performance and protection for your engine.

XCHANGE

The fast and economical alternative.

SERVICE NETWORK

Worldwide at your side.

EMISSION MANAGEMENT

Efficient and flexible.

ENGINE PLUS

Service around your engine.

SERVICE PORTAL

Service online – day and night.

ALWAYS AVAILABLE, FOR OPTIMAL FUNCTIONALITY AND COST-EFFECTIVENESS.

DEUTZ Repair and Maintenance Kits consist of preconfigured repair or maintenance sets that can be supplemented with additional engine-specific repair items as required. An important advantage of these packages is their fast and reliable

availability. Even short-notice repairs can be completed easily and without any problems. All DEUTZ Repair Kits contain either 100% original spare parts or lower-cost original DEUTZ XChange parts, all of which are attractively priced and come with a full warranty for maximum cost-effectiveness.

The engine company.
