UPS shipping instructions for UPS shipments

A screenshot of the UPS Customer Solutions login page. The header is dark brown with the UPS logo and the text "UPS Customer Solutions". Below the header, there are two light blue input fields. The first field contains the email address "versandvorschrift@deutz.com". The second field contains a password represented by seven dots. To the right of the password field is a link that says "Kennwort vergessen?". Below these fields is a blue button with the text "ANMELDEN". Underneath the button, there is a link that says "Sie haben noch kein Konto? Jetzt registrieren". At the bottom of the form area, there is a dark brown button with the text "UPS EMPLOYEE".

Please fill in all required boxes which are marked with a “♦”, if additional fields are required, please fill them in as well.

For shipments from non-EU countries, the export documents must be attached to the shipment or attached to the parcel.

The screenshot shows the 'Shipping Information' form. It is divided into three main sections: 'Ship From', 'Ship To', and 'Shipment'. The 'Ship From' section includes fields for Company Name, Attention, Address Line 1, Address Line 2, City, Postal Code, Country or Territory (a dropdown menu), Phone Number, and E-Mail Address. The 'Ship To' section includes an 'Address Book' dropdown menu, a list of addresses, and an 'Add' button. The 'Shipment' section includes a 'UPS Service International' dropdown menu, a 'Method' dropdown menu, a 'Type of Merchandise' dropdown menu, a 'Package(s)' section with a 'Package 1' sub-section, and a 'Contact Person' field. A red arrow points from the 'Add' button in the 'Ship To' section to the 'Package 1' sub-section. Another red arrow points from the 'UPS Service International' dropdown menu to the 'Select the destination plant of DEUTZ AG' text box. A third red arrow points from the 'Add' button to the 'If you want to send more than just one parcel, you can add more parcels under "Add". The parcels will then be delivered together. Please note that the maximum weight is limited to 70 kg per shipment!' text box.
